CHAYIL OILFIELD

OCCUPATION HEALTH AND SAFETY POLICY STATEMENT

Chayil Oilfield Company Limited is committed to protecting the health, safety, and well-being of all employees, contractors, partners, and visitors across our oilfield services, drilling support, and waste management operations.

Our Key Commitments:

- **Prevent injury & illness** – Through safe work practices, permit-to-work systems, and proper PPE.
- **Ensure compliance** – With all relevant OH&S laws and industry standards.
- **Manage risks proactively** – Identify and control hazards from drilling equipment, chemicals, high-pressure systems, and machinery.
- **Build competence** – Provide training on H_2S awareness, emergency response, first aid, and safe task execution.
- **Encourage participation** – Involve all team members in safety improvements, reporting, and feedback.

Management Leadership:

Top management provides leadership, resources, and systems to maintain a safe workplace, including setting safety objectives, reviewing performance, investigating incidents, and fostering a positive safety culture.

Our Goal:

An incident-free workplace where everyone returns home safely every day, through continuous improvement and shared responsibility.
